E-in-Chiefs Indent No.7085/EM-Octnoi exemption certificate

The Steel Construction Co Ltd Harding² Road, Basavangudi,
Bangalore has been placed with Supply Department's order for P.P.
Sheds for the execution of which hardware materials (i.e., Steel
Sections, M.S Angles etc) are required urgently It is understood
that the total order is for the fabrication of 200 tons P.P Sheds.
They have to get 54 tons of Steel Sections etc from Messrs Tata
Iron & Steel Co Ltd. Madras and the same have to be sent back to
Madras as soon as the fabrication is over They have already got
upto now 162 tons of these materials free from this duty and are
anxious to get the balance of 54 tons of steel sections etc. like-
wise. They have applied to me under the advice of C.C.P.(M) Calcutt a
for exemption from payment of Octroi duty for the material.

It is understood from the city Municipal Commissioner,
Bangalore that the articles imported by the firm in question are

p t.o.

liable to octroi duty unless an order by the Mysore Government granting exemption in respect of the consignment is produced. In the circumstances I recommend that the consignment of 54 tons may be exempted from the payment of the Octroi duty as the materials are required for Defence purposes. I request that formal exemption may be issued from payment of Octroi for the previous consignment also.
